

Guidance for Congregations

Use Common Sense!

If you are ill, ***please*** stay home. Contact by phone with your family doctor.

Please wash your hands often.

Hand sanitizer will be provided at the entrance to the sanctuary.

The Session has discussed changes in Communion distribution and purchased items to make this happen.

Limit hugs and handshakes!

Social distancing is defined as three (3) feet away from another person. If this is your choice, please sit away from others in the sanctuary.

The Session is discussing other ways to provide church via videos or audios if in the worst case scenario of total isolation is declared and church is suspended.

Use '*normal*' practices such as staying hydrated, eating fruits and vegetables, etc. to stay healthy.

If you need groceries delivered or errands run for you and would prefer not to get out, please contact the pastor or an elder, and help will be provided.

Pam; cell (405) 830 - 5442

Phyllis; cell (405) 760 - 4126

Valerie; cell (405) 831 - 3154

Vince; cell: (405) 816 - 1034

All activities at the church will continue until further notice.
